# AMC Chapter Meeting Agenda

## III. Agenda Topics

1. Getting more organized
2. Volunteer Opportunities
3. Speakers
4. Study Groups/Tutoring
5. Nominating new officers for next term
6. Speaker Accommodations
7. ACM Scholarships
8. Spreading the word about ACM chapter

## IV. Discussions

- 
1. Scholarships were discussed. Natasha brought in a copy of the UPE/ACM Student Chapter scholarship Award. [www.acm.org/chapter/student/upe\\_award01](http://www.acm.org/chapter/student/upe_award01).
  2. Michelle emailed Dr Buell
  3. Natasha spoke about her phone call with Joy of Unitrends. She agreed to be the speaker for February and will be speaking about resumes, interviews, and finding a job in the IT industry. Unitrends was thinking about having a partnership with MTC.
  4. Mr. Lebeau will be the speaker in April 2013 and will be speaking about a programming language called Groovy.
  5. Alan asked if we would need any kind of extra equipment or rooms to accommodate the speakers.
  6. Dr Martin said we could use a classroom. We discussed using the auditorium. Reservations would have to be made at least a month in advance.
  7. Natasha went to the Python Users group at USC. She thinks Dr. Philip Moore from the group would be a good candidate for a speaker.
  8. Dr. Martin said Patrick Wright has a list of people who may be interested in speaking...speakers/employers.
  9. An invitation was extended for Mr. Patrick Wright.
  10. Natasha presented a list of ideas of things we can do.
  11. Natasha found a community outreach opportunity for volunteers for workshops for Computer Science for high school teachers. The info will be kept in the minute's folder if anyone is interested.
  12. Natasha asked about the student advisory board and found out anyone can attend it's open to the public.

# AMC Chapter Meeting Agenda

13. Natasha is still working on the speakers.
14. Michelle will follow up with Dr. Buell.
15. Study groups were discussed again. Students are interested in tutoring.
16. Briefly discussed a time for regular meetings.
17. Discussed opening a lab for computer students at least once a week. Dr. Martin volunteered to sit in class, and suggested Professor Greer.
18. Discussed briefly the nominations for next term.
19. Stevan sent an email asking about what we should name our website.
20. Natasha nominated Alan for Web Officer since Stevan is graduating.
21. We discussed getting more organized with meetings as far as roll call, new and old business. Dr. Martin suggested we start an agenda.
22. Alan suggested we use MS word agenda template.
23. We are meeting again in two weeks.
24. We discussed COBOL and how three major corporations are using COBOL and hiring people with COBOL training and experience. Blue Cross Blue Shield is one of those companies. Some companies do not upgrade old programs/software but keep the older versions.

## V. Assignments
